**Directions:**

Carefully cut out mask. Cut out the mask eyes. Tape a pencil to the back of the mask to use as a handle. Hold up to face and let the spirit of Elvis take over! A curl will sprout on your lips and your hips will start to gyrate! Elvisisms will start uttering from your mouth like "uh-uh huh!", "Hey there pretty momma!", and "Thankya...thankyaverymuch!"

*Elvis*  
**MASK**
